EVERY DAY WE HOST HUNDREDS OF PARTIES IN OUR RESTAURANT—WE'D LOVE TO HOST YOURS.

Our favorite kinds of parties are the ones where everyone can enjoy a wide array of options and can focus on socializing and spending time with each other.

Our small plates menu and dining style means you and your guests can focus on the party, we've got the rest.

PARTY FORMATS:

There's more than one way to throw a party—a large dinner party, a cocktail-style social event, a baby shower or even your wedding—our dining rooms can be customized to whatever your needs may be.

In addition to the types of parties you may have already imagined, we can also host a variety of other formats:

Wine & Cocktail Classes:

Whether you prefer an informal tasting or something a bit more educational, our somms will happily guide you through our award-winning wine list. No matter if it's a seated dinner, the start of a party, or just while we're pouring, we're excited to share some of our favorites with you.

Cooking Demonstrations:

Chef will guide you and your guests through an immersive culinary experience. One of our favorites? A massive paella party—centered around a sizzling paella pan, caramelizing right before your eyes. This immersive experience will also include perfectly paired wines matched with Chef's tapas. From seasonal grills to sampling Spanish specialties or a hands-on butchery demo, there are endless options, let us know what you had in mind.

The following pages offer a quick introduction to each of our restaurants— reach out to our events team if you'd like to learn more: events@barcelonawinebar.com
